Consistent with the income tax interpretations of “qualifying donations”, this contribution is made voluntarily without any conditions and no benefit will accrue to me (or related parties) as a result of my donation. I confirm that this donation does not or will not reduce any obligation, directly or indirectly that I (or related parties) have for “non qualifying” expenses such as membership, training, or program registration fees, travel expenses or other like expenses that I would normally be required to pay to the recipient sport organization or any related or affiliated body. **I also understand that civil penalties can be imposed against me for the misrepresentations of tax matters.** Based on these facts, I understand that an official receipt for tax purposes will be issued.
